# At MBE, we offer more than just shipping, packing, caring...

We are experts in courier services, packing and worldwide parcel delivery. So, whatever you want us to pack and send, wherever it's going, we offer the right parcel delivery service to meet your specific needs, every time.

We offer a choice of recognised international carriers, including FedEx, Parcelforce Worldwide, Royal Mail, DHL and UPS, and our professional packing and Enhanced Cover programme, means your parcel will be secure in transit, arriving safely at its destination. What's more if you are confused by Harmonised System (HS) codes, EORI numbers, product descriptions, country of origin and value, we can help with all the required customs paperwork.

**So, if you are sending parcels or urgent documents, call us – we're a friendly, local team and we're always happy to help.**

**At Mail Boxes Etc. we make business easier for you.
